

# Betty Rountree Education Grant

The RGVCTM offers several grants to potential and current mathematics teachers each academic school year. **Current members of RGVCTM who have successfully completed a college level mathematics or mathematics education course may apply for a grant.** Our goal is to assist individuals who plan continued study leading toward a mathematics teaching certification or who desire to continue studies in undergraduate and/or graduate work in mathematics or mathematics education. A member may receive, at most, one grant during each year. **The grant money is to be used to help defray tuition and textbook costs for any mathematics or mathematics education course.**
